1914 translation by H. Rackham

"But I must explain to you how all this mistaken idea of denouncing pleasure and praising pain was born and I will give you a complete account of the system, and expound the most advantageous advantages which it is capable of conferring; and I will state also all the miseries which it entails upon anyone who loves or pursues or desires to obtain pain of itself, because it is pain, but because occasionally circumstances occur in which torment and pleasure intermingle."
